in association with

MUCTA

**(Mumbai University and College Teachers'
Association)**

ABOUT THE INSTITUTION

Smt. P. N. Doshi Women's College was established in 1960 and is managed by SPRJ Kanyashala Trust and conducted by Sarvajanic Education Society. The motto of our Institution, "Sa Vidya Ya Vimuktaye" (That education which liberates), was conceived at a time when liberation was nowhere near the horizon of Indian woman's life in general. The college strives to promote healthy all round development of girls, who are the future of our country. We have Junior College, Degree College and Post Graduate Departments.

Learner Differences and Different Learning Needs

CONCEPT NOTE

With a view to make education inclusive, it is important to achieve benchmarks for ascertaining and assuring quality at different levels of higher education. The educational institutions are therefore expected by NAAC to assess the learning levels of students after admission and organise special programmes for slow and advanced learners. Keeping this concern in mind this webinar aims to:

- Sensitise the educators towards learner differences.
- Appropriate strategies to address the concerns of both groups of learners.
